1. E Retelle 9/3/2004 Surface water overlap

Comment: Right 78-07325 from the Rapid River is for use on the same 2 acres as this right. This license does not include conditions requiring the use of surface water first because they were not on the permit.

2. LESTER 1/25/1994 DIVERSION DESCRIPTION

Comment: Drilling permit 78-93-W-0004-000 issued to applicant for domestic well. Per well log & water right application, well is 33' deep with 6' static level and located immediately adjacent to Rapid River. Use of this well for irrigation will undoubtedly involve use of river water and eventually may need to be conjunctively managed with surface water. Application probably supplemental to 4.5 acres in 78-07325, irrigation from Rapid River filed by same owner in 1991.

3. ZIMMERMA 3/4/1994 MORATORIUM EXEMPTION

Comment: This permit is located within the Salmon/Clearwater Rivers Moratorium; however, its groundwater source is within the acceptable parameters of the moratorium exemption. P/D OWNERSHIP The point of diversion is located on land owned by Cross O Ranch Inc.

4. VAULT 1/9/1997 Extension of Time Received
