RE: Ownership of Permit 36-07750A

Dear Mr. Sturdivant:

We have received an Assignment of Permit form changing a portion of the ownership of the above-mentioned permit to you. We have modified our computer records to reflect this change.

Enclosed is a report listing you as current owner of the "A" portion of this permit and other important information about your water right. Please review carefully the Conditions of Approval and Remarks.

Also, please note that as of July 1, 1996, all water right owners are required to report any change in water right ownership and any change of mailing address to the department.

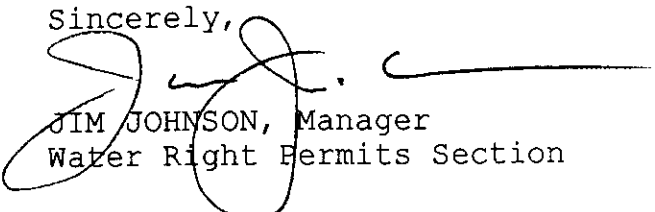

If you have acquired any other water right or have changed your mailing address **PRIOR TO** July 1, 1996, you have until July 30, 1998, to record the ownership and/or address change with the department.

If you acquired other water rights or changed your mailing address **AFTER** July 1, 1996, you must notify the department within 120 days of the change.

Failure to report these changes in a timely manner could result in a \$100 late filing fee.

You can contact any office of the department for more information. If you have any questions concerning your water right listed above you can contact me at 208-327-7947.

Sincerely,

JIM JOHNSON, Manager
Water Right Permits Section
