Re: Permit No. 37-8483
Attn.: Shelly Keane

Dear Mr. Keane,

The above reference permit was issued August 17, 1989, with flow meter requirement removed October 15, 1990.

This is to request that the Beneficial Use Field Report, if one exists, be sent to me and that a license be issued on an expedited basis.

Thank you for your attention to this matter.

Sincerely,

Bruce Augustus
