RE: William Jone Diversion

Gentlemen:

I would like to meet with both of you together to discuss issues raised by a letter I recently received from Dave Sundberg regarding water being diverted by William Jones under right 43-10356. I propose to meet on Monday (July 22, 2002) at 11:00 am along the Narrows Road north of the Jones Pump in Section 32, T15S, R25E.

If you are unable to meet please contact me as soon as possible.

Respectfully

Allen Merritt, PE
