PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 74-15047 and 75-14064

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use forms and examination fees submitted for the above referenced permits. Enclosed is an order reinstating the referenced permits and advancing their priorities since proof was submitted after the proof due date. I am enclosing copies of the proofs you filed. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial uses. At the time the examination is conducted the system must be in operation, otherwise this permit will be of no force nor effect.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the Eastern Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah J. Gibson
Administrative Assistant
