

MEMORANDUM

DATE: January 26, 2005
TO: File 67-10021
FROM: KANDICE MCDERMOTT
RE: Ownership Change

Ownership change form was received in July 2002 changing ownership to Bradley W. Laird. In the process of making the change, I realize it had already been made. Because there was no file in the vault, I would assume AJ made the change before the water right was released from adjudication. Paperwork has been placed in the file and no correspondence was sent.
