RE: Water Right No. 67-11461
Change in Ownership

Dear Ms. ~~Ball~~ ^{Bell}:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. *[Because the ownership of the water right was originally in the name of M Earl Attebery only, we must have a copy of a Deed or some other official document which conveys the property into your name before the change can be completed.]*

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary documents. If we do not receive the necessary documentation **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,
