

Mr. Cooper:

In response to your letter of August 12, 2004, I have enclosed a computer printout of the Department database information regarding WR 65-7731. Also enclosed is a copy of the Internet SRBA decree for your information.

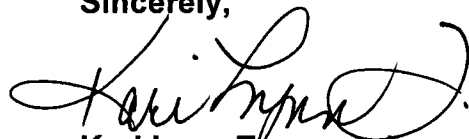

These two documents offer a recap of the water right file information that is available from our office regarding WR 65-7731.

I am also enclosing a Notice of Change in Water Right Ownership form in the event that you may find useful.

Your separate letter regarding right number 23946 has been forwarded to Sally Sherman in our Adjudication Section. This number is not a valid water right number in the Water Allocations records.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

A handwritten signature in black ink, appearing to read "Kari Lynn Townsend", with a large, stylized flourish at the end.
