RE: Change in Ownership for Water Right No. 94-2213

Dear Water Right Holder(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

X **Legal Description of Property**

The Quitclaim Deed recently submitted to our office as evidence of water right ownership does not cover the correct property. The Deed shows property in Township 49 North, while the water right in question is located in Township 48 North. Please provide further documentation showing ownership of the following property: T48N, R2E, Sec 2 NE¼.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice McDermott
Records Analyst
