Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use forms submitted for the above referenced permits.

Enclosed is an order reinstating the permit since proof was submitted more than 60 days after the lapse notice was issued. Please note that the priority date has been advanced to **April 20, 1999**, as provided in Section 42-218a(2), Idaho Code.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. If you have questions concerning the field examination, please contact the **Western Regional Office** of the department in Boise at (208) 334-2190.

Sincerely,

Deborah Gibson
Administrative Assistant
