Subject: Ownership Change - 67-4152

Kari Lynn,

Per a phone call to John Westra from David Lawrence, it appears that a few of the Current owners were changed to Previous on WR 67-4152. The only owners that should have been changed to Previous were Nello and Margaret Jenkins. In addition they would like to have the attorney removed.

Any further questions should probably be directed to David Lawrence at 253-4200.
