RE: Application for Transfer #71793 to add new well

Dear Robert,

Enclosed is the application for transfer to add a third well to rights 45-2434B, 45-10454, and 45-12909B. Please fill in where I have indicated (Items #1. & #3. on page 1, sign and have notarized on page 2, then on the last three pages {9, 10, & 11} - fill out the **section number and quarter-quarter** where you intend to drill the new well and give a brief description of the diversion works). I have enclosed a map for you to indicate the proposed well's location. (It would probably be best to describe it just to the 40-acre tract rather than the 10-acre tract to give you more flexibility in the final location of the new well.)

Then if you have Farm Credit do a letter for you, you can either bring the packet over to Twin or mail it in along with a check for $250.00. (I have already spoken a little bit about this with Robert Blakeslee of Farm Credit in Burley, so he knows what we need.)

Please call if you have any questions or need to set up an appointment.

Sincerely,

Jeanie Robertson
Sr. Water Resource Agent
