RE: Application for Transfer 66721

Dear Applicant(s):

On Application for Transfer 66721, you listed two possible locations for the new well you intend to drill.

According to the application and attached map, the point of diversion will be located either in the SW $\frac{1}{4}$ NW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 5 of T13S, R23E, B.M., or in the NW $\frac{1}{4}$ SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 5 of T13S, R23E, B.M. IDWR will approve the transfer for one of these locations, but not both, since only one well is proposed to be drilled.

Please let me know in writing at which location you plan to construct the new well within 30 days. If I do not hear from you during that time, I will assume you no longer have interest in this application and will void it accordingly.

If you have further questions, please contact me at 208-327-5452 (the number will change to 208-287-4949 on October 12th when IDWR has moved into its new building) or send e-mail to eretelle@idwr.state.id.us.

Sincerely,
