Subject: Transfer 71741 J R Simplot Co - Refund Request

Debbie,

During the processing of this transfer application it was determined that that actual proposed diversion amount subject to the transfer was less than originally identified. The fee paid was \$1590.00 under Receipt #E030558 (attached). The actual fee should have been \$570.00. Please generate a refund of \$1020.00 to be returned to J R Simplot Co.

Thank you,
