RE: Application for Transfer No. 71604 - Millenkamp

Dear Protestant(s):

The Department has been notified that the protests against the approval of the above referenced application have not been resolved and further action is necessary.

Please note that the application is considered a contested case and subject to the Rules of Procedure adopted by the Department. Rules 302 & 417 require that any written communication between parties be sent to **all parties in the case**.

If you need a copy of these rules, please contact this office. The Rules of Procedure are also available on the Internet by using the IDWR Homepage at the following electronic address:

<http://www.idwr.state.id.us/apa/idapa37/0101.htm>

The attachment to this letter describes the issues which the Department must consider in taking action on an application. It also gives a brief description of the conference and hearing procedure followed by the Department in resolving protested applications.

This office is tentatively scheduling the matter of protest for a pre-hearing conference in late March or during the months of April or May. **Please indicate the dates you are available on the enclosed calendars and return them to this office within 10 days.** Notices formally setting the conference time and place will be mailed at a later date.

If you are no longer interested in pursuing a protest, please submit a written withdrawal of your protest to this office or if you have any questions or if this office can be of further assistance, please feel free to contact us.

Very truly yours,

Allen D. Merritt, P.E.
