Re: Change in point of Diversion
Idaho Water Right #31-2282B
Formerly Right #31-10366

Dear Mr. Ball:

Northwest Farm Credit Services, FLCA has a first mortgage on your farm legally described as:

Township 8 North, Range 33 EBM, Jefferson County, Idaho
Section 14: SE1/4

It is my understanding that you have applied for a change in the point of diversion for the above water right. This change will not change the amount or the place of use of the right but will effect the point of diversion.

Farm Credit Services does not oppose the change in the point of diversion under the following terms and conditions:

- The place of use and amount of right remain unchanged on the previously described mortgage property.
- The new point of diversion will be on the described mortgage property.

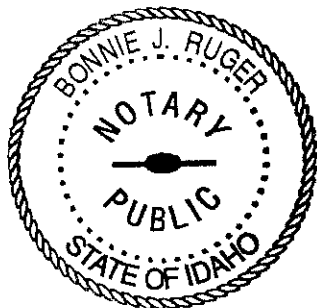

Please feel free to contact me if you have any questions.

Sincerely yours,

Brad Buttars
Branch Manager
