CONDITIONS OF APPROVAL

1. The total instantaneous diversion of water from all points of diversion under Right 36-10097 shall not exceed 0.05 cfs, nor a total combined volume of 13,000 gallons per day.
2. The quantity of water decreed for this water right is not a determination of historical beneficial use.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.

WATER RIGHT NO. 36-10097
As Modified by Transfer No. 71478

CONDITIONS OF APPROVAL

4. Place of use is located within Parcel Number RP08S14E257200.
5. Prior to diversion of water under this approval, the right holder shall provide a means of measurement and lockable controlling works for all authorized points of diversion. The means of measurement and controlling works must be suitable for control of the diversions and acceptable to the watermaster.
6. Domestic use is for 1 home.
7. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
8. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
9. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
