Attn: Mr. Roger Warner

Dear Mr. Warner:

Per our recent telephone conversation regarding transferring the Water Rights to a spring on the farm we purchased in 1982, I have enclosed the completed Notice of Change Form, a copy of the warranty deed with property description attached and a copy of the original claim filed in August of 1979.

If you have any questions, please call. Thank you for all your help with this.

Sincerely,

Lawrence (Larry) C. Hayes
