Dear Sirs;

Attached is form 42-248\42-1409(6). I didn't know quit what to do in regard to some of the areas on the form.

This is what we are attempting to do. My husband, Darrell D. Holbrook, jointly owns the property in question with his brother in what is called the Blanche Staley Trust. My husband has created the Darrell D. Holbrook Land Trust, naming all 6 children as the beneficiaries of his half of the property. Everything stays the same as far as his brother's half is concerned.

Please find enclosed a copy of the Bargain and Sale Deed. I think this contains all the requested information. Also find enclosed a check of \$25.00 for the required fee.

If you need more information, please contact me at 278-5568.

Thank you,

Linda Kay Holbrook
