Section 42-225a, Idaho Code

SEP 28 2004 Do No. 96-9203 RECEIVED AU 28 2003

IDWR/North

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. The filing of this claim does not confirm the water right but will serve for information purposes only. It may, however, become the basis for future adjudication of the water right by the Court.
