Dear Mr. Johnston:

Re: License No. 96-7484
Permit No. 96-8487

On August 4, 1989, the department received an Application for Amendment of Water Right No. 96-7484 and receipted the \$20 fee. Also on August 4, 1989, the department received a proof of beneficial use form referencing Permit No. 96-7484 and receipted the \$50 filing fee.

Note that on May 16, 1984, the department received the proof of beneficial use form for this permit and on January 25, 1988, the department received an Application for Amendment with fee. As a result, a water right license was issued. The proof of beneficial use form and the Application for Amendment recently submitted are duplicates and are not needed. These forms are returned to you and the filing fees will be refunded to you in a few weeks by our Accounting Section.

The department acknowledges receipt of the relinquishment form for Permit No. 96-8487. The filing has been cleared of the department's record and will be of no further force nor effect.

If you have any questions concerning this matter, please feel free to contact this office.

Sincerely,

RITA I. FLECK
