Re: Permit No. 13-7640

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm that the use being made meets the permitted beneficial use.

Upon review of your proof, I find that you paid \$50.00 for the license examination fee. The department waives the license exam fee for groundwater rights with a diversion rate of 0.04 cfs or less. Since this waiver applies to your right, I have requested that the State of Idaho issue you a check for \$50.00. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161. If you have any questions regarding the refund or the processing of this proof, please contact me at (208) 287-4942.

Sincerely,
