PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 61-7751

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

During my review of the proof you filed with the department, you stated you have 8 households receiving the domestic water. The department issued you a Permit to Appropriate Water ("permit") for domestic use for 2 duplexes, which I believe would be four (4) households.

Be advised that Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions or wish to clarify this discrepancy, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190, or myself at (208) 287-4942.

Sincerely,

Deborah J. Gibson
