Dear Ms. Deborah Gibson,

We received the water renewal forms for the proof of beneficial use on three springs that we currently hold the permits for. Enclosed is the proof of beneficial use renewal form for permit no. 65-18350. It has been located and inspected for proper development and water use.

I am enclosing two requests for extensions of time for permit nos. 65-13855 and 65-13852. Our department needs more time to locate and properly inspect these developments. Also, enclosed is a check of \$150 for the processing fees for all three applications.

Sincerely,

Rebecca Beavers
Resource Manager, Lands
