RE: 63-31462 (part) – Termination of water supply bank lease

Dear Ms. Clark,

I wish to retain the lease to the water supply bank for the year 2004. Please continue the lease as written without changes to charges or acre feet available for banking. If you have any questions, please contact me.

I have leased a portion of my water rights during the past 2 years. I have never been notified that anyone has requested the available water. Will I be notified by the Water Allocation Bureau if someone is willing to lease this water?

Sincerely,

Timothy A. Welebir
