RE: Change in Ownership for Decreed Water Right 85-10349

Dear Mr. Snyder:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Signature** (*Original ownership change form enclosed*)

 X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

 X **Legal Description of Property**

The Real Estate Escrow Contract that was sent concerns a transaction between Mr. & Mrs. Blakely and Mr. & Mrs. Wilson. This has no bearing on your ownership of the property in question and is being returned with this letter. Please sign the ownership change form on the back of the form and return it with the required support data so that we may complete your request.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

Kari Lynn Townsend
Secretary
