**RE: RELEASE OF LEASED WATER RIGHT NOS. 63-31894 FROM THE
WATER SUPPLY BANK**

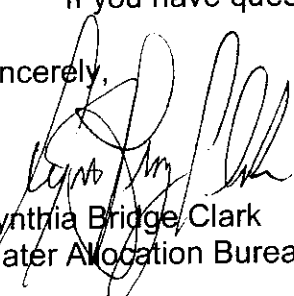

Dear Lessors:

Water right 63-31213, owned by Chris Doyle, was leased to the Water Supply Bank (bank) on April 13, 2004. You subsequently rented a portion of the right for the 2004 irrigation season. The right has since been split through water right transfer no. 71239. The portion of the right rented from the bank was renumbered to 63-31894 and was changed to your name in accordance with the transfer.

Based on a letter from Chris Doyle, received by the department on August 23, 2004, it is our understanding that you wish to remove water right 63-31894 from the bank at the end of the rental period. This letter is notice that right 63-31894 will be released from the bank on November 16, 2004 unless the department is notified by the owner in writing prior to the release date. The five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

If you have questions, please feel free to contact me.

Sincerely,

Cynthia Bridge Clark
Water Allocation Bureau
