RE: Security Interest in Water Right 36-12617

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Signature** *The signature on line 7 is for a bank representative. The form you sent is signed by your customers. I have enclosed a new form and ask that you resubmit the form with the appropriate signature. A copy of the original form is enclosed for your information. In addition, our records show the current ownership of this decreed water right in the names of Randy & Sarah Leininger. In order for the Department to process your request for security interest the ownership will need to be changed to the names of your customers. A Notice of Change in Water Right Ownership form is enclosed for you to forward to your customers. We will be happy to complete your request for security interest upon receipt of the completed ownership change form with support data and filing fee and the corrected security interest form.*

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within **30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.idaho.gov>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-287-4592.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kari Lynn Townsend". The signature is fluid and extends across the width of the page.
