RE: Application for Transfer No. 70627 – Robert or Donna Bybee

Dear Protestant:

This letter acknowledges receipt of the protest filed by you against the above referenced applications for transfer. The following are the principle items considered by the Department at a conference and/or hearing in either approving or denying an application for transfer:

1. Are other water rights injured by the transfer?
2. Does the change constitute enlargement in the use of the original right?
3. Is the change consistent with the conservation of water resources within the state of Idaho?
4. Does the change conflict with the local public interest?

The protestant must be prepared to present proof of the allegations involving one or more of the items. You will be notified at a later date as to the time and place set for conference and/or hearing.

If we may be of further assistance, please contact us.

Respectfully submitted,

W Roger Warner
Water Rights Supervisor
