Re: Water Application No. 72-16644

Dear Mr. Merritt:

I am writing as a follow up to our recent telephone conversation regarding the above-referenced water application. I would like to amend my application to provide for in-house water usage only. Please proceed to process the application for this purpose and remove landscaping use from the permit application

If you have any questions or need further information, please do not hesitate to call or write. Thank you for your attention to this matter.

Very truly yours,
