**NOTICE OF PROPOSED CHANGE
TO WATER RIGHTS**

Notice is hereby given that two Applications for Transfer has been filed with the Idaho Department of Water Resources for changes to water rights within Cassia County: **PETER J. & SYLVIA T. GRUSH, 2025 S HWY 81; MALTA ID 83342 and RALPH WALLIN JR FAMILY INTER VIVOS TRUST, PO BOX 243; GRACE ID 83241** filed Application No. 71599 on 10/29/2004. This application proposes to add a second well to the existing irrigation system due to sand problems with the present well that prevent the full allowed diversion rate from being utilized. The proposed well will be located about 5 miles south and 3/4 mile east of the Hwy. 77/81 junction at Malta. **H & S FARMS LTD PARTNERSHIP, 1687 S HWY 27; OAKLEY ID 83346** filed Application No. 71206 on 4/29/04. This application proposes to create a permissible place of use by tying groundwater rights together and changing the place of use to reflect changes in system operation that have occurred after 1987. One pivot sprinkler has been moved a little further east, and another has been installed to replace hand lines. Four existing wells provide water for the sprinklers; 3 wells are active, and one is on standby in case it is needed. The SW corner of the farm is located 1 1/2 miles north and 1/2 mile east of the Oakley city center. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before February 7, 2005.
