Re: Starr Coleman transfers #4753 & #4754

I met with Starr Coleman regarding the above transfers on May 06, 1998. Mr. Coleman has decided to withdraw transfer #4754 and amend transfer #4753. He is requesting a refund of the filing fee for transfer #4754 and was inquiring if a portion of the fee could be used for readvertising of transfer #4753. Let me know if this is possible.

Transfer 4754 already advertised so
the fee cannot be returned.
