6. General Information:

- a. Who owns the water right to be changed? Applicants
- b. Describe the arrangement allowing use of the right NA

- c. Describe the affect on the land now irrigated if the change is approved pursuant to this application:

Will not be irrigated after October 15<sup>th</sup>

- d. Has the water right sought to be transferred been used this year? Yes If yes, explain. used as right is described

- e. Absent the changes, how would the right be used for the remainder of the year? Not used after October 15, 2004

- f. Describe other water rights used for the same purpose.

NA

- g. Remarks: This is a temporary change to change the nature of use from irrigation to stockwater from October 15 to November 15. The right will be diverted and then discharged into the Portneuf River which is dry. Need the entire right because of bed loss in the river.

I hereby assume all risk in accordance with Section 42-222A, Idaho Code, and assert that no one will be injured by such change and that the change does not constitute an enlargement in use of the original right. The information contained in this application is true to the best of my knowledge. I understand that any willful misrepresentations made in this application may result in voiding its approval.
