Re: Permit No. 22-13221

Dear Permit Holder(s):

Returned is the original Request for Extension of Time you filed with the department on June 23, 2004. The department cannot accept your request, because according to the request this project as permitted is complete. Additionally, you filed Proof of Beneficial Use and paid \$50.00. The full amount of the license exam fee is \$125.00, therefore, the department can process the proof of beneficial use upon receipt of the additional \$75.00. The department cannot conduct a beneficial use field exam until I receive the balance of the fee.

The department will maintain the proof of beneficial use for **15-days** to provide you the opportunity to submit the required additional fee. Please be aware that this permit is **lapsed** and is of no force nor effect unless it is reinstated, and reinstatement is dependent upon receiving the appropriate form and filing fee.

If you have any questions, please contact me at (208)287-4942, or the Eastern Region at (208)525-7161.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
