RE: Petition for Reconsideration of the Preliminary Order Approving Transfers 70679, 70994 and 71587

Dear Mr. Brockway:

The Department of Water Resources (IDWR) has received your petition for reconsideration of the preliminary order approving Transfer Nos. 70679, 70994 and 71587. The petition raised concerns regarding diversion rate and volume limitations placed on the transfer approvals.

In response to your petition, IDWR grants you 30 days to support your petition by providing a description of the requested modifications and information in support of those requested changes. Additional time may be granted upon a written request and justification for the extension. IDWR will evaluate your information when determining whether to grant or deny your petition for reconsideration.

If you have any questions, please feel free to contact us.

Sincerely,

Jeff Peppersack, Manager
