RE: Water Right No. 67-7835H
Change in Ownership

Dear Mr. & Mrs. Burgess:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Filing Fee** of \$25 per water right permit
- ☒ **Assignment of Permit Form** a copy of which is enclosed

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$25.

We are returning to you the documentation submitted with the ownership change form. Please return it along with the Assignment of Permit form to our office, along with the \$25 fee, for processing. Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please contact Kari Lynn Townsend at 287-4952.

Sincerely,

Kandice L McDermott
