PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 63-12494

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

With this letter I am returning your original Request for Extension of Time ("request"), which you filed with the department on February 27, 2004. I understand that the request was filed by mistake and that you wish to file the proof of beneficial use instead.

Additionally, you paid two \$50.00 filing fees for both the request and the proof. Because only one document is appropriate, I am also returning one of the fees. Therefore, with this letter I am asking that \$50.00 be refunded to you. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

Sincerely,

Deborah J. Gibson
