RE: WATER SUPPLY BANK - RIGHTS 63-07355 AND 63-08382

Dear Mr. Duffner:

On June 15, 2001, the Department of Lands leased the above referenced water rights to the Water Supply Bank ("bank") until July 2002. The rights provide the following:

Identification No: 63-07355
Source: Ground water
Priority: July 30, 1970
Div rate: 0.28 cfs / 118 AFA
Location: Section 4, T2N, R2E, B.M.
Term: July 2002
Comment - This right when combined with right 63-08382 provides 0.02 cfs per acre and 4.5 AF per acre for a total of 74 acres

Identification No: 63-08382
Source: Ground water
Priority: November 1, 1976
Div rate: 0.92 cfs / 215 AFA
Location: Section 4, T2N, R2E, B.M.
Term: July 2002
Comment - This right when combined with right 63-07355 provides 0.02 cfs per acre and 4.5 AF per acre for a total of 74 acres

I plan to remove these rights from those shown in the bank unless I hear that the Department of Lands wants to leave the rights in the bank for a longer period.

If you have questions, please feel free to contact me at 327-7955.

Sincerely,

L. GLEN SAXTON, P.E.
Chief, Water Allocation Bureau
