RE: Permit to Appropriate Water No. 63-12463

The City of Nampa has acquired, through the purchase of real property, the above referenced permit from United Water Idaho, Inc. Please change department records to reflect this acquisition by the city. The water will be used as part of the city municipal system.

Attached is a copy of the Water Right Grant Deed and Assignment for your records. Please call me at 468-5420 or Bryan Donaldson at JUB Engineers 467-5252 if you have any questions. Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read "P. Raymond", is written over a horizontal line.
