RE: Application to change point of diversion for 75-4101M

Dear Applicant:

In "Part 1" of the application you indicated that there was a lien, deed of trust, mortgage, or contract on the property to which 75-4101M is appurtenant. You will need to provide to this office a notarized statement from the holder of the lien, deed of trust, mortgage or contract agreeing to the proposed changes. For your convenience a copy of the proposed change is enclosed.

In addition to the tax notice the department requires a copy of your warranty deed as evidence of ownership of the place of use.

Your prompt response on or before August 31, 2004 would be appreciated.

Thank you,

Keith C. Wilson
