Senior Resource Agent

Dear Mr. Wilson,

Please find enclosed a copy of your letter to me dated January 24, 2005. I have also enclosed a letter from the United States Department of Agriculture documenting the aerial photo I sent to you late last year. I hope this is the information you need.

I realize we probably will not get the change for point of diversion at this time but hopefully this will help all of us in this subdivision to validate our water rights. If I happen upon any other pertinent information I will forward it you your attention.

Sincerely,

Frank Flores
