RE: Water Right No. 67-14383
Change in Ownership

Dear Mr. & Mrs. Bandoni:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X Filing Fee of \$25 per water right permit
 X Notarized Signature for Assignment of Permit

Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required. We are returning the paperwork that you sent as we only require the completed assignment form and filing fee to process the change.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L. McDermott
