On March 29, 2004 the Idaho Department of Water Resources received a "Notice of Change of Water Right Ownership" for water right no.'s: 29-2322, 29-7362, and 29-10032 from the Shoshone-Bannock Tribes. The notices were subsequently returned pending receipt of a \$25.00 fee for each water right change. Find enclosed herewith a fee of \$25.00 for each claim in the total amount of \$75.00.

In accordance with Idaho Code 29-248 it is the Tribes' understanding that fees would be waived pending a decree of a water right and that a final director's report for subbasin 29 has not yet been issued. Additionally, upon accessing the Department of Idaho Water Resources web site, water right 29-02322 has not yet been decreed. For the record the Shoshone-Bannock Tribes is submitting the required fee(s) in protest, as a final director's report has not yet been issued for subbasin 29 and that all water rights listed above have not yet been decreed.

If you have any questions, please feel free to call me at (208) 238-2393 x. 103.

Sincerely,
