Subject: Water Right Nos. 25-7689 and 25-7690 Beneficial Proof

Dear Ms. Gibson:

On June 1, 2004, we filed beneficial proof for several water right applications including the subject water rights. We have since discovered an error. The quantity as permitted and developed is .02 cfs for each of the above water rights. We inadvertently reported this as .01 cfs on the Proof of Beneficial Use.

Please make this correction to the beneficial proof for water rights 25-7689 and 25-7690. Please call me if you have any questions, or call Ms. Dala Walton at 208 678-0461, extension 23.

Sincerely,

E. Gail McGarry
