Subject: Lloyd Mahaffey Transfer Map

Lori –

I got to thinking that we probably don't need a map to show which acres are being transferred. The 10 acre portion of water right 63-8608 being purchased by Mahaffey is the entire NWNWSE Section 19, T4N, R1E (see purchase agreement). The 65-acre balance of the water right located in the NWSE and SWSE Section 19 will go to Wilson Properties (Foxtail golf course). Sound OK??
