Subject: Application for Transfer of Water Right 63-8608 – C. Lloyd Mahaffey

Dear Steve:

On behalf of C. Lloyd Mahaffey, I have enclosed an application for transfer of a 10-acre portion of water right 63-8608. The application proposes changing the point of diversion and place of use from lands located approximately 2 miles southwest of Eagle to lands located 2 miles northeast of Eagle. The water right will be used for supplemental irrigation.

The land from which the water right is being transferred was purchased from Merle H. Lindley and the Lou Jean B. Lindley Trust ("Lindley") by Ramon and Marilyn Yorgason ("Yorgason") in March 2001. As part of this sale and purchase, Lindley retained the water rights associated with the irrigation well on the property. Lindley has subsequently entered into an agreement to sell a 10-acre portion of the retained water right to C. Lloyd Mahaffey

Copies of (1) the Lindley-Yorgason real estate purchase agreement, (2) the resultant Warranty Deed, and (3) the Lindley-Mahaffey agreement for purchase and sale of water right are attached to the transfer as proof of water right ownership.

A check for the \$100 transfer filing fee is enclosed.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E., P.G.
