Dear Lynn and Christine,

Enclosed is information I received back from the Idaho Department of Water Resources with regards to the transfer of the water ownership from Mr. Cooper.

I do not have access to the information the Department of Water Resources is asking for. I know copies can be obtained from Bannock County, and perhaps we can obtain copies of deeds through First American in Pocatello, but I don't know what deeds to ask for. Do you know how the chain of title would have come down?

I did not collect funds to pay for the transfer of the water rights as I did not find out about it until closing with you. However, I did send a check from our title company for \$25.00, which I have enclosed, if you can pay the other \$25.00.

Please let me know how you want me to proceed.

Very truly yours,

SCOTT'S LAND TITLE CO.
