Re: Field Report Narrative

This morning I called Cathy Nash at the USFS ranger district office in McCall to discuss the special use permit issued by the USFS to Bruce Ring, the permit holder, for the diversion of water on public land. She confirmed for me that the diversion is on USFS land in the SWSE of Sec. 15, T19N, R2E, and that the place of use is on private land belonging to Bruce Ring in the SWSE of Sec. 15, T19N, R2E. She said she will fax me a copy of the special use permit and a map of the private and public land in that area.
