37-20621	NO	YES	NO	NO	NO	NO

Describe the reason for the proposed changes

The groundwater rights on my property list points of diversion on the surrounding properties. We want to drill our own well on our property rather than use the wells on the surrounding properties. We also have decreed surface water rights from the Big Wood River delivered through the Baseline Canal appurtenant to the same property. Well water use supplements surface rights as they are shut off.

4. FOR CHANGES IN NATURE OF USE ONLY

A. Describe the expected quantity of the return flows and location of discharge after the proposed Change

B. Describe the effects on other water uses resulting from the proposed change

5. Total Amounts Transferred

37-20621	0.19 cfs		15.0
