RE: Change in Ownership of Water Right 35-7454

Dear Interested Parties:

We have received the Buy/Sell Agreement that you sent as support data for the change of ownership for the above referenced water right. This document does not indicate ownership of the land or the water right. Also included in the information you sent is a copy of a portion of a commitment for a title policy. These documents are being returned with this correspondence, as they do not meet our requirements for proof of ownership.

The Department is unable to process your ownership change request without proper documentation. In addition, we are unable to process the Notice of Security Interest in a Water Right request that was received from Idaho AgCredit, FLCA as it pertains to this water right.

Please furnish our office with a copy of the proper support data so that we may complete your request for change of ownership as well as the security interest request from Idaho AgCredit, FLCA.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
